Matua Rawiri's Shout Out

Tena Koutou Parents and Caregivers

I am pleased and proud to announce that after our most recent 'Culture and Climate Staff Survey' conducted on behalf of the Board. We are doing extremely well and beyond expectations.

Quoted by Jenny Gray – The Team Building Company

I have never seen a school with such low percentages and urgent issues progress in such a short timeframe. This is due to the time, effort and energy that the Principal and Senior Management Team have put into addressing the issues to ensure that Mokoia Intermediate School is a positive and supportive workplace that it is today. This has had positive outcomes for students, staff, leaders and management and the Board can be confident that Mokoia Intermediate School is being led and managed well. Once again, congratulations on such outstanding results.

Next Steps

In the past two years Mokoia has offered a strong, holistic educational environment for our students focussing on all their needs. ***Our focus in 2020 is to balance holistic and academic excellence.*** We have planned how this will be implemented.

Well done Mokoia staff for showing what a united staff we are. Excellent feedback from our **Culture and Climate** survey, contracted by the Board of Trustees.

We will publish our **student survey results** when we have the last 50 student opinions in - and so far it looks like the majority of our students are happy, feel safe and think the learning is just right. A **parent survey** will go out next week.

👍 To the Ahurei performance group. Your rehearsals are going so well; your attitude and skills grow each time. Many thanks to Whaea Liana, Whaea Marianne, Matua Taimona, Matua Rhys and Matua Hori.

To P1, Whaea Liana and the student leaders who ran assembly today. This was our first fully student run assembly and it was BRILLIANT. Excellent to see Matua Rawiri in the roll of Song Master! We need to get some enthusiasm into the singing and dancing off stage!

Our School Values

Just like a rainbow after the storm, success follows failure.

We are often discouraged whenever we face trials and challenges in our lives. We become weak and insecure. We reach the point when we just want to give up. However, take heart. Failures are ingredients to success. (Kaiako say this all day to their ākonga!) Making mistakes is essential but it doesn't have to stop there. You have to learn from them. Eventually, after all the problems you face, you'll definitely see the rainbow at the end of the day.

These children receive values bands for outstanding and ongoing displays of our school values:
