

# Mokoia Intermediate

## Matua Rawiri's Shout Out

**Tēnā Koutou Parents and Caregivers**

Thank you to the many parents and caregivers who attended the Three Way Conferences on Tuesday and Wednesday. We are very pleased to have been able to meet with so many parents about your children's learning, pre-covid, during covid and after lockdown. It is important to us that sharing information, gathering feedback and setting goals together will support all stakeholders. If there are any parents or caregivers who couldn't make the Three Way Conferences, please make time to meet when appropriate for you and the teacher.

Today I have shared during our Zoombly (school assembly) a message to our students about 'manaakitanga' and 'resilience' towards our teachers and support staff. I want our students to understand that our teachers & support staff are here for them, in everything we do at our school. I am proud of our staff because they display empathy, they care and they build positive relationships with your children. I also expressed to our students that they can feel comfortable to talk with their teachers, our deputy principals, principal or any other adult at school, without feeling hesitant, unsure or shy. We are here to ensure that Mokoia Intermediate is a safe place for our students during their Intermediate years.

## Our School Values

### He iti hau marangai e tū te pāhokahoka

*Just like a rainbow after the storm, success follows failure.*

We are often discouraged whenever we face trials and challenges in our lives. We become weak and insecure. We reach the point when we just want to give up. However, take heart. Failures are ingredients to success. (Kaiako say this all day to their ākongā!) Making mistakes is essential but it doesn't have to stop there. You have to learn from them. Eventually, after all the problems you face, you'll definitely see the rainbow at the end of the day.
