## Matua Rawiri's Shout Out

### Tēnā Koutou Parents and Caregivers

Our three day Education Review Office visit was very positive. **Matua Paora Stucki** felt the inclusive wairua throughout our school. His visit to four classrooms and talking with students was a highlight for him. We were very transparent and honest. The process was very effective and collaborative. The senior leadership team, in partnership with ERO, completed a draft report. We will be able to share this report once confirmed in the near future. We are on a continued journey with learning. Thank you to the Board, staff, students and whanau.

We had our first school assembly in the hall today and it was lovely to see our students altogether. It's important that we embed our school values Whakaiti, Komaitanga and Ūpoko Pakaru now that we are coming back together. This will be our goal.

All the best to our sports teams this weekend, be positive and have fun.

Have a good weekend everyone.

## Learning Journals, Goals and Reflections, Three Way Interviews

A reminder that teachers are using two different formats for reporting while we seek out an efficient and timely way to keep you in touch with your children's learning. A notice was sent out about this last term.

- Some teachers have opted for the five weekly learning journal format we used last term. These should be with you **THIS WEEK**.
- Other teachers are setting weekly learning goals with their students, scaffolding student reflections and giving feedforward and feedback on Seesaw.

**Three way (Parent, student, teacher) conferences** will be held on Wednesday 1st June and Thursday 2nd June. The interview booking tool will be open to you next week.

## Pink Shirt Day Friday 20th May

### **Pink Shirt Day in Aotearoa**

Pink Shirt Day aims to reduce bullying in Aotearoa by celebrating diversity in all its forms and supporting workplaces, communities and schools to be safe, supportive, welcoming and inclusive of all people. While all people can be the target of bullying, some groups or individuals experience more bullying than others. Lesbian, gay, bisexual, transgender, queer, intersex, asexual and other sexuality and gender diverse identities (LGBTQIA+) people - also known as rainbow communities - experience higher levels of bullying. Pink Shirt Day started because people wanted to stop homophobic, biphobic and transphobic bullying, and this remains a strong focus of Pink Shirt Day in Aotearoa.

### **Origins of Pink Shirt Day**

Pink Shirt Day began in Canada in 2007 when two students took a stand against homophobic bullying after a new Year 10 student was harassed and threatened for wearing pink. These students bought dozens of pink shirts and distributed them to their classmates to wear the next day. The word got out online and hundreds of students showed up in pink, some from head-to-toe, to stand together against bullying. It has been celebrated in New Zealand since 2009.
